Career

With the Master Facility and Real Estate Management (FREM) in your pocket, you are one step ahead of bachelor degree holders. You will get promoted to managerial positions faster and earn a higher salary, and you are better qualified for complex projects and functions. You have experienced classes fully taught in English and in an international environment. You will be able to work in different areas within facility and real estate, but also outside the FREM field.

Positions of our alumni

- › Facility Manager
- › Asset Manager
- › Real Estate Developer
- › Community Developer
- › Strategic Analyst
- › Change Agent

Part-time studies

- › This master is also offered in part-time
- › Deepen your knowledge and expand professional ambitions
- › Develop a new dimension to your work
- › Acquire an academic level to show the industry you are higher and better qualified
- › Part-time is only possible for EU students

“With all the knowledge and skills I gained, I hope to fulfill my vision: facilitating added value into soft and hard services and improving the quality of the work environment so employees and the business itself can benefit.” Maarten - FREM alumnus

“Take the lead, **master** valuable and sustainable solutions”
