Selection and admission

Because we have more applications than spots, we carefully select students who fit HMSM. We do this with our selection procedure. Each academic year there are 390 spots available.

Phase 1 - Online portfolio

You will be asked to complete an online portfolio with required documents. Once you have fully completed this phase, we will review your application and inform you whether you can advance to phase 2.

Phase 2 - Selection Friday

This phase includes a numeracy test, an innovative business challenge, and an interview. It will take place at the HMSM campus in Maastricht (or online in exceptional cases).
